

Dear Parent:

Your child's school is the 3ABN "Triple Your Donation Value" Adventist Education fundraiser! Within three months of our launch **over \$400,000** was raised to benefit the 200+ individual schools and four NAD conferences who participated. We're happy your school will become part of this amazing success.

The school has chosen from the following featured items for their fundraising:

- **Give Him Glory** – the three angels' messages of Revelation 14 have been set to music!
- **It Was Love** – these uplifting lyrics will make your day brighter and lift your heart toward heaven.
- **Love Rules** – these refreshing songs will keep you singing all day long and draw you closer to Jesus!
- **It's a Beautiful World** – scriptures and music woven together make it fun for kids (and the whole family) to learn biblical truths.

3ABN has donated these CDs/DVDs to the school, and 100% of the proceeds will go toward their determined goal. For additional information on how this fundraiser works, or to listen to song samples, visit 3abnSchoolFundraising.org.

While offering this inspirational music to the community, your child will become actively involved in ministry and those who make a purchase will receive an enduring blessing. Please encourage your child to pray with each person they approach, and follow the tips below:
